WALKER GUIDELINES INFORMATION

ADVENT INTERNATIONAL LTD

Advent International Ltd is an investment advisor to and wholly owned subsidiary of Advent International Corporation and is authorized by the UK's Financial Conduct Authority (FCA).

OWNERSHIP STRUCTURE

Advent International Ltd provides investment advice to its parent company Advent International Corporation under an advisory services agreement. Advent International Ltd is authorized by the Financial Conduct Authority (FCA) and as such is a regulated entity. Advent International Ltd has implemented a comprehensive Conflict of Interests Policy that is overseen by the company's compliance team and Board of Directors.

INVESTMENTS

Advent International Ltd has agreed to comply with the Guidelines for Disclosure and Transparency in Private Equity published and overseen by the Private Equity Reporting Group (PERG) on a comply or explain basis. Furthermore, Advent promotes full conformity with the guidelines by those UK portfolio companies that meet the Walker criteria. The following UK companies are owned by private equity funds managed by Advent International Corporation and meet the criteria of the Guidelines for Disclosure and Transparency in Private Equity.

RUBIX GROUP

Advent completed the acquisition of Brammer in February 2017 through a public-to-private transaction. Following on from this, the business completed the transformational add-on acquisition of IPH in September 2017. Rubix was created from the combined companies as the leading pan-European distributor of industrial maintenance, repair and refurbishment products and services, including bearings, mechanical power transmissions, pneumatics, hydraulics, tools and health and safety equipment.

Following Advent's investment, the value creation plan is focused upon a profit improvement strategy for the original Brammer business through increased sales force effectiveness, streamlining

operations and reshaping category management; successful integration following the highly accretive and synergistic combination of Brammer and IPH, and then also supporting the management team in driving profitable growth both organically and through further complementary acquisitions.
